About This Collection

We need to produce a short enticing description 60-90 words, plain text, no markdown, no lists, no quotes, no AI-flag words, no em dashes, no "not only X but Y", no "At its core", no forced groups of exactly three items, no "in order to", use "to" instead. Use "because" instead of "due to the fact that". End with natural invitation to view the full gallery via the link above. No emojis, no curly quotes, no markdown, no bold. Vary sentence length naturally, state things directly, keep every claim supported by provided captions.

We have captions that include words: "mallu aunty blow job", "wife sucking", "desi wife", "hubby", "dick", "fucked", "boobs", "Tina Baby", "Aunty Suck n Fuck", "mallu cheachiyude sugipikkunna vaayileduppu uff", "Indian Aunty giving the best blowjob", "She keeps up her pace by stroking his dick in between", "Mallu aunty et elle amant hot2 sudha aunty", "Тётушка Маллу делает глубокий минет и трахается с сиськами, Малаппурам", "Blowjob In Nude, Mallu Couple Blow Job , Malayali Girl Blow Job With Husb.....", "Watch blowjob porn video and hot cunnilingus xxx movie", "Девушка Маллу с глубоким ртом делает минет со спермой в рот в Малаппураме", "Nude girl sucks her lover's dick and makes his balls dry", "blowjob, horny, mallu, wife".

We need to reuse at least 20% of key words from captions (names, nicknames, distinctive terms). So we need to include some of those words. Probably include "mallu", "aunty", "blowjob", "wife", "hubby", "Tina Baby", "desi", "boobs", "deepthroat"? The requirement: at least 20% of the key words from the captions. Not exact counting but we can include several.

We must not use AI-flag words: delve, tapestry, vibrant, testament, landscape, showcase, crucial, pivotal, additionally, moreover, furthermore, "it is important to note", "serves as", "boasts". Use "to". Safer to avoid listing exactly three items separated by commas. Also avoid "in order to". Not sure but forced groups of exactly three items: maybe they mean like "X, Y, Z" as a list of three. So avoid listing three items in a row like "X, Y, and Z"? Safer to avoid any list of three items. Avoid forced groups of exactly three items. Could list two or more than three? Avoid "not only X but Y". We'll just use sentences.

No em dashes, no quotes. Use plain text.

End with natural invitation to view the full gallery via the link above. So something like "See the full gallery above." Or "Check out the full gallery above." Must be plain text, no markdown, no quotes.

We need to write in same language as the title: "mallu aunty blow job". That's English (lowercase). So description in English.

Word count 60-90 words. Let's craft around 75 words.

We need to ensure every claim is supported by captions. "Nude girl sucks her lover's dick". "Indian aunty giving the best blowjob". "That uses captions: Mallu aunty, Tina Baby, wife sucking, hubby, dick, stroking his dick in between, boobs. "Blowjob in nude". Also "desi wife" maybe. We'll incorporate.

Make sure no AI flag words. Avoid "because"? Avoid "it is important to note". Avoid "additionally". Actually we can use because. Avoid "moreover". Avoid "furthermore". Avoid "serves as". Avoid "boasts". Use "to" not "in order to". It's allowed. Avoid "delve", etc.

Check for any prohibited words: "showcase" is prohibited. "testament" prohibited. "tapestry" prohibited. "vibrant" prohibited. So avoid that. "pivotal" prohibited. "delve" prohibited. "crucial" prohibited. "boasts" prohibited. "additionally", "moreover", "furthermore" prohibited. "it is important to note" phrase prohibited. "serves as" prohibited. "landscape" prohibited.

Also avoid em dashes. Hyphen is okay? Safer to avoid hyphen that could be mistaken? So we can use hyphen as part of a word? Probably okay. They said never use em or en dashes; split the sentence or use a comma. Usually hyphen is okay. Use hyphen? We'll just not use dash.
