About This Collection

Step into a wild crossover where Nightcrawler meets the Demon Slayer universe, featuring the ever-alluring Nezuko in a semidraws gallery that mixes hentai fantasy with X-Men mischief. From Kimetsu No Yaiba to a fictional kinky chat, every frame teases the forbidden. Tanjiro crowds close to his sister, but this is no innocent rescue, it's a kinky, animated romp with big breasts, big ass, and plenty of porn-grade action. Join the fun and view the full gallery via the link above.
