Releasing The Tentacle Kraken on Monster Musume

About This Collection

In Elasid’s Release the Kraken animation, a tentacle Kraken meets a Monster Musume guide in a jungle adventure framed from a charged POV. Rachnera’s rough wrangling and the unlocked wild life commission add further fantasy tension to the collection. When poison threatens her life, she takes a daring approach to draw it out, turning the encounter into something wild and intimate. View the full gallery via the link above.
