# Shinobu X Douma Adult Fan Art Demon Slayer

## Photo Gallery

## About This Collection

In this alternate costume gallery, 1boy Douma and 1girls Kochou Shinobu trade their demon slayer uniforms for something darker—blonde and dark hair tangled in comic yet explicit dialogue. The female demon slayer starts fully clothed, but teasing gives way to nude embraces, bondage, breast grabs, and fingering, all with butterfly hair ornaments and Japanese text. The demon boy dominates, yet Shinobu's fierce expressions keep the power play alive. See every sensual scenario in the full gallery via the link above.
