About This Collection

This gallery answers every artist request with Soul Knight's warriors pushed past their limits, mixing combat and craving in equal measure. From chillyroom's complex vortex to demonmancer's potions, every frame is a fan-made tribute. Necromancers, wizards, eventide angels, and queens shed their armor and their caution, while a blush spreads across their faces as boss monsters loom and floating damage numbers mark the fight. Breasts are bared, hands explore, and even defeated knights lose more than their helmet and hood—the soul of each character stripped down to raw desire. View the full gallery above and surrender to the call of the knight.
