About This Collection

Demon Slayer r34 opens with Kamado Nezuko and Kamado Tanjiro in semidraws frames, then shifts to Kochou Shinobu as drawn by nyantcha. Some pages come as slideshows, some as single frames like nezuko frame 9. A Neocoill comic collection follows, plus Fanbox Intruder part 2 from 2024 and 2025, and animated crossovers that bring in Pokemon, Naruto and Overwatch characters. The set mixes drawn and animated scenes across several series. View the full gallery through the link above.
