About This Collection

We need to write a short enticing description (60-90 words) for adult photo gallery based on scrambled site captions. Must be in same language as title: Arabic (the title "ديوث اختة" is Arabic). So description must be Arabic.

We must naturally reuse at least 20% of key words from captions (names, nicknames, distinctive terms). Must include these exact words where natural: سكسى, امروز, sdh1551784, video, tweet, xr33xx, видео, поделиться, телефон, камерой, бесплатно, загрузить, ديرتيه, راحتي, معصيتي.

We must not use AI-flag words list. Must not use em/en dashes, not use "not only X but Y", "At its core", forced groups of exactly three items. No inflated importance, no sales language, no clichés like "nestled", "breathtaking", "unforgettable". No emojis, no curly quotes, no markdown, no bold. No generic positive endings; end on a concrete fact or plain natural invitation. Use "to" instead of "in order to", "because" instead of "due to the fact that". Plain text only.

We need 60-90 words. Let's count approximate words. Arabic words count maybe similar. We'll aim for ~70 words.

We must incorporate the required exact words: they are a mix of Persian/Arabic/English/Russian. Must include them naturally. They are: سكسى (Persian), امروز (Persian), sdh1551784, video, tweet, xr33xx, видео (Russian), поделиться (Russian), телефон (Russian), камерой (Russian), бесплатно (Russian), загрузить (Russian), معصيتي (Arabic), راحتي (Arabic), ديرتيه (Arabic). Must include these exact words. They may appear in the description. Must be natural.

We need to write in Arabic, but can embed those words as they appear. Must ensure at least 20% of key words from captions reused. Not sure. The required words count 15 words. But we must include those exact words. 20% of key words? We'll include them.

We must avoid prohibited words: "delve", "tapestry", "vibrant", "testament", "landscape", "showcase", "crucial", "pivotal", "additionally", "moreover", "furthermore", "it is important to note", "serves as", "boasts". Avoid them.

No em/en dashes. Use commas.

No "not only X but Y". No "At its core". No forced groups of exactly three items.

Use "to" instead of "in order to". But we are writing Arabic, but we can use English "to"? Probably not needed. Use Arabic equivalents.

No inflated importance, no sales language, no clichés.

End with a concrete fact or plain natural invitation: e.g., "شاهد المعرض الكامل عبر الرابط أعلاه". That's a plain invitation.
