About This Collection

Enter Fantasy Patrol, an adult gallery where Final Fantasy VII stars Tifa and Aerith share the screen with Barash Berry, Arkady, a horny Bunny, a beautiful Elf in her lair, and a cock-loving businesswoman. The fantasy setting shifts between intimate portraits, provocative encounters, and playful scenes, with nods to hentai, fetish art, and steamy PC and Android adventures. Follow the patrol through page after page, then view the full gallery via the link above.
