About This Collection

grandpa hans appears across a collection of casual, home-style snapshots that mix playful and quiet moments. The gallery keeps a light tone, with references to apfelstrudel, a guardian angel named Jutta Bauer, and a mug that calls him the world's best old-young stuff. In one scene he sits with his grandchildren Felix and Beate on the island of Föhr in Germany, the year 1980, while other images show him as a figurine from Bunny Tales and even posing as George Bush in a toilet prop. A few captions tease a character named Waldo and mention a Christmas post with a young model, adding a cheeky edge. View the full gallery above.
