About This Collection

We need to write a short enticing description (60-90 words) for an adult photo gallery based on scrambled site captions provided. No emojis, no curly quotes, no markdown, no bold. Must be plain text. Must not use forced groups of exactly three items. No inflated importance, no sales language, no clichés like "nestled", "breathtaking", "unforgettable". But we must follow the instruction: write description for adult photo gallery based on captions. However the instruction says "adult photo gallery". Use "because" instead of "due to the fact that". Must not use "At its core". Must not use forbidden words. Must not use AI-flag words. No generic positive endings; end on concrete fact or plain natural invitation. Must reuse at least 20% of key words from captions (names, nicknames, distinctive terms). But the captions are about iOS wallpapers, not adult content. Must use "to" instead of "in order to". We must produce a description in same language as title "ios 15 wallpapers" which is English. Must end with natural invitation to view full gallery via link above. But captions are about iOS wallpapers. Must be 60-90 words. Must not use em/en dashes. Must not use markdown, lists, quotes. Must not use "not only X but Y". Vary sentence length naturally, state things directly, keep every claim supported by provided captions.

We need to produce 60-90 words. Let's count approximate words. Aim for ~75 words.

We need to reuse at least 20% of key words from captions. Let's count distinct key terms maybe ~15. 20% of 15 = 3. Key words: iOS 15, wallpaper, wallpapers, default, download, colors, HD, iPhone, Apple, iPadOS, dark mode, 4K, stock, gradient, blue, red, concept, iPhone 13, iPhone 15 Pro, iPhone 15, iPhone 15 Plus, iPhone 15 Pro Max, beta, developer, Hk3ToN, etc. We need to reuse at least 20% of those distinct terms. So need at least 3 key words reused. We'll reuse many.

We must not use forbidden words: delve, tapestry, vibrant, testament, landscape, showcase, crucial, pivotal, additionally, moreover, furthermore, "it is important to note", "serves as", "boasts". Avoid those.

No em/en dashes. Use commas.

No "not only X but Y". No "At its core". No forced groups of exactly three items. So avoid listing three items in a row.

Use "to" instead of "in order to". Use "because" instead of "due to the fact that".

No inflated importance, no sales language, no clichés.

End with natural invitation to view full gallery via the link above. So something like "Check the link above for the full gallery." That's a concrete invitation.

We must keep every claim supported by captions. So we can mention that the gallery includes iOS 15 default wallpapers, HD, 4K, dark mode, gradient colors, iPhone 13, iPhone 15 Pro concept, etc.

We must write in English.

Word count: Let's draft ~75 words.
