About This Collection

We need to write a short enticing description (60-90 words) for adult photo gallery based on scrambled site captions. No forced groups of exactly three items. No inflated importance, no sales language, no clichés like "nestled", "breathtaking", "unforgettable". Use "because" instead of "due to the fact that". The title is English? It looks like lower case English words: "ivantill r34". No emojis, no curly quotes, no markdown, no bold text. Must not use AI-flag words: delve, tapestry, vibrant, testament, landscape, showcase, crucial, pivotal, additionally, moreover, furthermore, "it is important to note", "serves as", "boasts". Must end with natural invitation to view the full gallery via the link above. Use same language as the title: "ivantill r34". Also must not use em or en dashes; split sentence or use a comma. Must reuse at least 20% of the key words from the captions (names, nicknames, distinctive terms), translating the rest as needed. So description must be in English. No "not only X but Y". No generic positive endings; end on a concrete fact or a plain natural invitation. No "At its core". Use "to" instead of "in order to". Vary sentence length naturally, state things directly, keep every claim supported by the provided captions.

We need to reuse at least 20% of key words from captions. Identify key words: names, nicknames, distinctive terms. app, lucidkana, PCrow, salmon(657931354), blazer, blood from mouth, blood on face, blush, ear piercing, green eyes, grey hair, black sweater, blue background, blue eyes, blush, closed eyes, collarbone, dawn (artist), ear blush, fang, flustered, full-face blush, grey hair, overstimulation.

We need to reuse at least 20% of the key words. 20% of 30 = 6 words. Let's count distinct key words: maybe about 30. So we need to include at least 6 of these key words (names or distinctive terms) in the description. Use them naturally.

We must not use disallowed words. Avoid "it is important to note". Avoid "boasts". Avoid "pivotal". Avoid em dashes. Avoid "moreover". Avoid "serves as". Avoid "showcase". Avoid "additionally". Avoid "crucial". Avoid "furthermore". Use commas.

We need to end with a plain natural invitation to view the full gallery via the link above. " Must be plain natural invitation, not generic positive like "Don't miss out". Must be concrete fact or plain invitation.

We must not use inflated importance or sales language. So just say "View the full gallery via the link above." That's fine.

Now we need 60-90 words. Let's craft about 70 words.

We need to include at least 6 key words: e.g., Till, ivan, alien stage, highres, 2boys, black hair, blush, kiss, grey hair, blood on face, etc. Use them.

We must avoid "not only X but Y". So we should not list three items in a row like "black hair, blush, kiss". Use maybe two items or use "and". Use two items or more than three? Safer to avoid lists of three. " Means we should not have a list of exactly three items? That's three items; that would be a forced group of exactly three items? Let's avoid listing three items in a sentence separated by commas. Avoid forced groups of exactly three items. Probably avoid enumerations of three items. Might be risky. We'll be careful.

We need to vary sentence length. Use some short sentences, some longer.

We must not use em dashes. Use commas.

We need to end with invitation. Let's craft.
