About This Collection

The user wants a description for an adult photo gallery titled "liars bar rule34". I need to write a coherent paragraph in English (same language as title) that reuses at least 20% of key words from captions, translates rest, ends with invitation to view full gallery via link above. The captions are scrambled and contain various adult content tags, character names, and site references. No emojis, curly quotes, markdown, bold. but", no "At its core", no forced groups of three, use "to" not "in order to", "because" not "due to the fact that", no inflated importance, no sales language, no clichés like "nestled", "breathtaking", "unforgettable". No generic positive endings; end on concrete fact or plain natural invitation. Vary sentence length, state directly, keep claims supported by captions.

jpg", "мармок кролик" (maybe Russian). Let's count unique key words: maybe 20 words. But we need to reuse at least 20% of key words. 20% = 4 words. We'll include several.

We must write in English. No markdown. Plain text.

We need to end with invitation to view full gallery via the link above. So something like "View the full gallery via the link above."

We must avoid AI-flag words list. Avoid "in order to", use "to". Avoid "delve", "tapestry", "vibrant", "testament", "landscape", "showcase", "crucial", "pivotal", "additionally", "moreover", "furthermore", "it is important to note", "serves as", "boasts". Ensure not using any of those words. Also avoid "not only ... Avoid "due to the fact that", use "because". Avoid inflated importance, sales language, clichés like "nestled", "breathtaking", "unforgettable". but", "At its core", forced groups of three items. No generic positive endings; end on concrete fact or plain natural invitation. " is okay.

We must not use em or en dashes; split sentence or use comma. So no dashes.

We must not use curly quotes. Use straight quotes if needed, but better avoid quotes.

We must not use markdown, bold, lists.

We must vary sentence length naturally.

We must state things directly, keep claims supported by captions. Also mention "мармок кролик" maybe Russian for "marble rabbit"? So we can mention that the gallery includes furry anthro characters like emerald fury, a pegasus and unicorn, also Rangiku Matsumoto in thigh-highs paying bar debt, Jill and Claire paying tabs, anal penetration scenes, bodily fluids, cum, Brawl Stars characters Buzz, Melodie, Poco, and a reverse bunny image. But we can just mention "marble rabbit" as translation.

We need to reuse at least 20% of key words. 20% = 6 words. Let's count key words: maybe 30 unique words. We'll include many.

We must not use "and" forced groups of three items. Avoid listing exactly three items in a row. But we can list more or less.
