About This Collection

Step into a world where Ukrainian models capture raw beauty and high-fashion edge, from Kyiv’s urban energy to Berlin Fashion Week’s runways. Meet faces like Viktoria and rising NEWfaces, styled for both elegance and grit. This gallery is a visual journey through Ukraine’s changing landscape, both human and natural. These hi-res photographs blend the vulnerability of young adulthood with the fierce spirit of a nation in flux—think prom-night tension, forested backdrops, and climate-change unease. Explore the full collection via the link above and see every striking detail for yourself.
