About This Collection

Dive into randomtriples, a wild collection where Equestria Girls go completely off-script. Pinkie Pie takes center stage in a kinky futanari gangbang packed with femdom attitude, while Twilight Sparkle, Rainbow Dash, Rarity, and Applejack get tangled in explicit anthro and 3D animated action. Queen Chrysalis and her changelings crash the party, OCs Jimmy Chap and Sapphire Spark join the fun, and even Deltarune's Kris makes a cameo. From unicorn magic to human heat, these artists deliver nonstop cartoon naughtiness. Click the link above to view the full gallery now.
