About This Collection

Raphael stars in a wild mix of adult scenes here, from gritty mutant ninja battles to steamy encounters with April and other fans. This furry gallery dives into lewd situations with characters like Leatherhead, Donatello, and even Arabelle, blending anime and hentai styles. Expect intense action, femdom themes, and chaotic pairings across TMNT and fandom porn. Whether it is Raphael with Splinter, Alopex, or a lucky fan, the art stays raw and unfiltered.
