# About This Collection

qqkkay opens this set of virtual youtubers, tagged for danbooru and easy to match on saucenao, built from a lora marked sakitakanashixlpony001. A зимний batch follows, colder and quieter, then the nude model cover and a page seven scan. An iqdb entry sits beside it. sakitakanashi takes a solo 1girl frame, black hair down, a small smile that carries the shot. The link above opens the full sakusyaaya gallery.
