About This Collection

Kasane Teto and Hatsune Miku carry this gallery from the first frame: UTAU and Synthesizer V duets, Mesmerizer poses, and Beni Imo blushing through confetti and hypnosis scenes. Teto and Miku trade the frame across a Danbooru style spread of POV shots and comic panels. KemKem, renata11033, sinensian, and khyleri each draw the pair their own way, from manga comic pages to Vocaloid chat and AI art sets with censored details and plenty of skin.
