About This Collection

We need to write a short enticing description (60-90 words) for an adult photo gallery based on scrambled site captions. Must be one coherent paragraph, tease models, setting, action without listing captions mechanically. "tongkkangi" could be Korean transliteration? Could be a Korean name. Probably they want the description in the same language as the title, which is English? Title is "tongkkangi". That's not a language. Usually they'd want English. It's just a word. The title is a single word, but it's not a language. Title is "tongkkangi". Actually "tongkkangi" could be a name. Plain text only, no markdown, no lists, no quotes. That appears to be maybe Korean? Naturally reuse at least 20% of key words from captions (names, nicknames, distinctive terms), translating rest as needed. But it's not a language code. " So we need to detect language of title. The language of title is likely English? But we must write description in same language as title. Answer in same language as title "tongkkangi". Might be considered English? End with natural invitation to view full gallery via link above. Let's assume English.

We must avoid AI-flag words: delve, tapestry, vibrant, testament, landscape, showcase, crucial, pivotal, additionally, moreover, furthermore, "it is important to note", "serves as", "boasts". Use "because" instead of "due to the fact that". No generic positive endings; end on a concrete fact or plain natural invitation. Also avoid em/en dashes, no "not only X but Y", "At its core", forced groups of exactly three items. Use "to" instead of "in order to". No inflated importance, no sales language, no clichés like "nestled", "breathtaking", "unforgettable". No emojis, no curly quotes, no markdown, no bold. Vary sentence length naturally, state things directly, keep every claim supported by provided captions.

We need to reuse at least 20% of key words from captions. Key words: helltaker, lucifer, nekololisama, cerberus, sinensian, modeus, waero, azazel, darkingart, tongkkangi, newhalf, bulge, futanari, shemale, femdom, r34, rule34, animated, gif, video, high resolution, large filesize, uncensored, watermark, artist, ikr, secretlysaucy, etc. At least 20% of key words. Let's count maybe 20 words? We'll include several.

We need 60-90 words. Let's aim for ~80 words.

We must end with invitation to view full gallery via the link above. Something like "Check the link above for the full gallery." That is a concrete invitation.

We must not use any prohibited words. Avoid "moreover". Avoid "it is important to note". Avoid "serves as". Avoid em/en dashes. Avoid "crucial". Avoid "showcase". Avoid "pivotal". Avoid "boasts". Avoid "delve", "tapestry", etc. Avoid "additionally". Avoid "furthermore". Use commas.

No "not only X but Y". No forced groups of exactly three items. No "At its core". So avoid listing three items in a row. Use varied sentence lengths.

We must not use generic positive endings like "Enjoy!" Must end on concrete fact or plain natural invitation. So end with "View the full gallery via the link above."

Now write paragraph.

We need to incorporate key words: helltaker, lucifer, cerberus, modeus, azazel, tongkkangi, newhalf, bulge, futanari, shemale, femdom, r34, rule34, animated, gif, video, high resolution, large filesize, uncensored, watermark, artist, ikr, secretlysaucy. At least 20% of key words. Let's count unique key words maybe 20. 20% of 20 = 4. So need at least 4 key words. We'll include many.

Now produce paragraph ~80 words.

Let's draft:
