About This Collection

Trisha Paytas fills this gallery with the kind of clips her Instagram followers only get teased with. There is shower masturbation, a risky hookup, a first BG video, and plenty of big booty onlyfans material for the thicc fans. She strips out of pink lingerie, works a dildo until it squirts, and takes the fuck machine for a long ride. The step sister scene and the flute bit round out a set that keeps the camera close.
