About This Collection

let me double-check the language instruction: "Answer in the same language as the input." The input has English captions and an English title. I will write in English.

Forbidden Words: delve, tapestry, vibrant, testament, landscape, showcase, crucial, pivotal, additionally, moreover, furthermore, "it is important to note", "serves as", "boasts". Also "not only X but Y", "At its core", forced groups of exactly three items, em/en dashes, inflated importance, sales language, clichés like "nestled", "breathtaking", "unforgettable", generic positive endings. No emojis, no curly quotes, no bold text.

Grammar/Style Rules: Use "to" instead of "in order to"; use "because" instead of "due to the fact that". Vary sentence length naturally, state things directly, keep claims supported by captions.
