About This Collection

Roboute Guilliman, primarch of the Ultramarines, stands against Yvraine of the Eldar in a Warhammer 40k set full of Imperial weight and xenos calm. The frames stay close and charged, with drukhari accents and a vindicator hull behind the poses. Caliban and the Lion drift through the background lore while Guiliman's armor and Yvraine's steady gaze carry the tension. Click the link above to view the full gallery.
