About This Collection

A clear blue Wyoming sky stretches above a mountain range, its peaks mirrored in a calm lake that reflects the snow-capped Tetons. Crater Lake and Jackson Hole add depth, while Wyoming weather photography highlights the raw beauty of the USA mountains. This Grand Teton National Park scene captures an elk near the water, framed by the state flag and rugged western terrain. The 4K wallpaper shows a river winding through the landscape, perfect for an iPhone or laptop. View the full gallery above.
